

## **Whatever Walk off the earth**

One day I don't wanna wake up  
Wonderin', wonderin', where'd all the time go?  
One day I don't wanna be stuck  
With a page full of plans that I made no time for  
It's been a minute  
Yeah, we talk about life but I wanna live it  
I wanna live it with you, hm-mm

[Chorus:]

Whatever, whatever you wanna do  
Down for whatever as long as it's you  
Nothing but time, we got nothing to lose  
Down for whatever as long as it's you  
When you're with me, nowhere I'd rather be, yeah-yeah  
Whatever, whatever you wanna do  
Down for whatever as long as I'm here with you  
Ba-ba-dum, ba-ba-dum, ba-ba-dum, yeah-yeah

[Verse 2:]

Yeah, uh, someday on a runway  
With a couple one-ways, somewhere they can't find us  
I know that we've been stressed out but we're set now  
And I wanna put it all behind us  
It's been a minute  
Yeah, we talk about life but I wanna live it  
So, give me a minute with you, with you

[Chorus:]

Whatever, whatever you wanna do  
Down for whatever as long as it's you  
Nothing but time, we got nothing to lose  
Down for whatever as long as it's you  
When you're with me, nowhere I'd rather be, yeah-yeah  
Whatever, whatever you wanna do  
Down for whatever as long as I'm here with you  
*Ba-ba-dum, ba-ba-dum, ba-ba-dum, yeah-yeah*  
*Ba-ba-dum, ba-ba-dum, ba-ba-dum, yeah-yeah*

[Outro]

(Ba-ba-dum, ba-ba-dum, ba-ba-dum, yeah-yeah)  
Ye-yeah, yeah, it's been a minute  
Yeah, we talk about life but I wanna live it

So, give me a minute with you, yeah  
Don't wanna wake up wondering where the time went, yeah  
Whatever, whatever you wanna do  
Down for whatever as long as I'm here with you
