

Glove puppets

A solution for when one glove is lost! This glove puppet is easy to make and introduces your child to creative, traditional play.

You'll need

A glove, five cotton wool balls, black thread, some googly eyes, sparkly shapes, pipecleaners, feathers or ribbon, glue, scissors and a black felt tip pen.

- ① Stuff one cotton wool ball into the top of each finger. Wrap some thread underneath the ball and pull into a tight knot. You now have a heads for your finger puppets.
- ② Decorate each finger as you wish. Encourage your child to create different characters, you can use different coloured wool, ribbon or pipecleaners for hair.
- ③ Either stick on googly eyes or glue circles of white paper onto the heads and use the black pen to add the dot for pupils.
- ④ Cover the rest of the glover with sparky decoration as you wish.
