Dear Parent/Carer,

The school has been given the opportunity to take part in a project that will run jointly between schools and the Metropolitan Police called Operation Encompass.

As part of Operation Encompass the Metropolitan Police will notify schools, before the start of the next school day, when a child or young person has been exposed to, or involved in, any domestic incident. We know that children can be significantly physically or emotionally harmed when this is the case and the information received will be used to make sure the right support is available for children and their families.

Operation Encompass will ensure that a member of the school staff, known as a Designated Safeguarding Lead (Miss Le Fleming), is trained to allow them to liaise with the police and to use the information that has been shared, in confidence, while ensuring that the school is able to make provision for possible difficulties experienced by children, or their families, who have been involved in, or exposed to, a domestic abuse incident.

We are keen to offer the best support possible to all our pupils and we believe this will be extremely beneficial for all those involved.

If you have any concerns or questions then please contact our school's Designated Safeguarding Lead Miss Le Fleming or one of the Deputy Designated Safeguarding Leads: Mr Lane, Mrs Slattery, Miss Pipkin, Mrs Brown and Mrs Kelly and we will be happy to discuss this further. Further information about the project can be found on our school's website and is available at the school office on request.

Regards

Mr Lane
