Snapchat

The Snapchat app lets you send photos, short videos or messages to your friends. Pictures and videos, known as Snaps, usually appear temporarily before disappearing, though they can be captured via screenshots. The Stories feature lets you share Snaps in a sequence for up to 24 hours. Using the Discover screen lets you watch Stories from friends, celebrities and brands.

Fortnite: Battle Royale

Fortnite is a popular survival action game where up to 100 live players can fight each other to be the last one standing. The game includes heavy violence but with little blood or gore. You can talk to other players using public, private and voice chat.
