### CURRICULUM EVENING AND GOVERNING BODY AWARDS

We had a wonderful evening at school on Monday celebrating some of our fantastic achievements. 4 past pupils, now in Year 7 at secondary school, returned to collect awards they won last summer. We welcomed our special guest Peggy (Margaret) Morrissey who presented the awards. Peggy was a governor at the school for 35 years and her term of office ended in the summer. We were so pleased that she was able to come back so we could thank her for her commitment and support and to help celebrate the success of the pupils receiving their awards. We also enjoyed performances from our school choir who sang a few of their favourite numbers. Those who attended also enjoyed our curriculum display about our current topic 'Eyes on Our Planet' where the whole school is learning about climate change and sustainability. A BIG thank you to FOSH who provided refreshments for the event.

# MESSAGE FROM THE HEADTEACHER, MR. LANE

*This Sunday is Palm Sunday which is the Sunday before Easter Sunday. Palm Sunday commemorates the entrance of Christ into Jerusalem, during which palm branches were placed in his path, before his arrest on Holy Thursday and his crucifixion on Good Friday. It thus marks the beginning of Holy Week, the final week of Lent. Palm Sunday recalls the story in Christian Scripture of Jesus' entry into Jerusalem, greeted by people waving palm branches. It is a reminder for Christians to welcome Jesus into their hearts and to be willing to follow him.*

*It was lovely to see so many of you at our curriculum evening and presentation of the Governing Body awards on Monday night. It was lovely to see our past pupils return to collect the awards they won in 2022-2023 which were presented to them by Ms. Peggy Morrissey who served as a Foundation Governor at the school for 35 years from 1988-2023. I know their families and secondary schools were really proud of them. Our choir were amazing too, putting on yet another fantastic performance. I know our special guest was very impressed with their singing, with our school and with our community. I hope too you had an opportunity to see examples of the children's work on their current topic 'Eyes on our Planet' which focuses on climate change and sustainability.*

*Next week is the last week of term and there are a lot of events taking place. Further information about these events are included in the newsletter and have been sent home with the children. FOSH have been especially busy organising Easter events for the last week of term for the children to enjoy; please come along to our cake sale after school on Tuesday.*

*In the newsletter, you can read about our 'Wear Purple' day in support of the Catholic Children's Society (CCS) which is coming up next week on the last day of term, Thursday 28th March. We are asking the children to donate £1 which we will combine with any other money they have contributed through their Lenten promises. Thank you for supporting this important cause.*

*As St Patrick's Day was on Sunday we had a special Irish themed meal at school on Monday when we all enjoyed a delicious Irish stew. One of our past pupils, Shannon, also returned to perform a number of Irish dances which the children really enjoyed watching. Thank you and well done Shannon. REALLY PROUD OF YOU!*

*Congratulations to Ireland who won the rugby Six Nations last weekend when they were victorious over Scotland. They won four out of their five matches, only losing to England. They were pushed all the way by France and England who finished second and third respectively. It made St Patrick's Day last weekend an even bigger celebration for Irish rugby fans.*

*Next week is the last week of term before we break up for Easter. The children finish at 2:30 pm next Thursday 28th March (Nursery pupils finish on Wednesday 27th March at the usual time). All children return to school after the break on Monday 15th April.*

*Have a lovely weekend.  
Mr. Lane*

**Good News for Families**

**1 Enjoy reading this Sunday's Gospel**

When Jesus and his disciples were on their way to Jerusalem, they came to the Mount of Olives. Jesus sent two of his disciples into the nearby village to collect a donkey. He said to them, "If anyone stops you, tell them that it is for the Lord, and that the donkey will be returned." So the disciples set off and found the donkey. When they untied it from its post, some people said to them, "What are you doing?" The disciples answered just as Jesus had told them, and the people let the disciples take the donkey to Jesus. Then Jesus rode into Jerusalem. People were spreading their cloaks and palm branches on the road in front of him. They praised God, shouting: "Hosanna! Blessings on him who comes in the name of the Lord! Hosanna in the highest heavens!"

Taken from the Gospel of Sunday 24<sup>th</sup> March 2024, Mark 11:1-10 (Passion/Palm Sunday)

Which words stood out for you in this Sunday's Gospel, and why? Now enjoy exploring this Wednesday's word, which is **PRAISE**.

To colour the picture for this Sunday's Gospel, please see the back page.

**2 Wednesday's Word PRAISE**

**"God is full of love: to him be praise forever!" Pope Francis**

Why were the people shouting? This coming Sunday is known as Palm Sunday of the Passion of the Lord. It is the start of Holy Week. Palms will be handed out in Church in remembrance of the welcome and great praise that the people gave to Jesus when he entered Jerusalem. As we grow in our knowledge and love of Jesus, it's natural to want to praise God. Ask your child what the word 'praise' means to them. Ask who regularly praises them and lets them know how good they've been. How does your child feel when they receive praise? Does your child praise anyone - and why? How does your child feel when they praise someone? It may help to share an example of someone you feel deserves praise.

**"Praise God always, no matter the time of day." St Benedict**

In this Sunday's Gospel, the people praised Jesus. There are many things for which we can praise God (e.g. a loving family, good friends, caring teachers and for always having a good friend - Jesus - who loves us and never forgets us). Praising God brings happiness; it's what we were made for. How can we praise God this week? Perhaps we can: think of all the good things that we have received from God (like the beauty of nature and all creation, for our homes and for each other) and say a quiet prayer of thanks and praise; regularly pray the 'Glory Be' - a simple prayer of praise (see bottom of page).

Dear Lord Jesus, as Holy Week approaches, we thank and **praise** you for giving your life for us, so that one day we too may know the joys of heaven. Amen.

## Nursery: St Anthony & St Nicholas:

We love singing in Nursery and this week we have been using songs to help us with our counting skills. For St. Patrick's Day we sang a song about shamrocks sprouting and we counted up from 1 to 5. On Wednesday we sang a song about hot cross buns in the baker's shop and counted down from 10 to 1. The children then continued with this theme by using smaller recyclable materials to create individual rockets. An excellent day's work.

## Reception: St Peter:

This week, we have returned to our number bonds to 10 and have surprised our adults with our amazing maths fluency! So many of us now can recall different ways of making numbers up to 10! Here Nancy wrote her own number sentences on the whiteboard whilst Teddy explored ways to make 8 using cubes!

## Reception: St Jude:

We have been learning lots of animal facts recently! Many of these facts have been coming out in our play! Sebastian, Ariana & Sonny created a block den for meerkats, applying their knowledge of meerkats to help them build. Ariana said, "We need platforms to stand on to look for predators" whilst Sebastian suggested, "This tyre can be a tunnel for the meerkats to get out of the sun!"

## Year 1-St Brigid

During our visit to Buckingham Palace's royal mews, St Brigid's children had the opportunity to explore the royal mews, where they learned a lot about the royal family. It was fascinating to see both the horses and horse-drawn carriages.

## Year 1-St Francis

On Monday, St Francis class visited Gillespie Park. We met Kate who played games with us about sustainability and we completed a treasure hunt. We discovered some of the ways Gillespie Park has been designed to meet the needs of our planet.

## Year 2-St Teresa

Last week, we finished making our Japanese Koinobori fish which are used to celebrate National Children's Day in Japan. We made our fish using old socks and cut them into the shape we wanted. Then, we decorated them using markers and added scale designs too! Finally, we attached the string and tied each fish to the stick. We loved making our fish and couldn't wait to test them outside!

## Year 2-St John Paul

In RE we have been learning what the Gospel of Mark says happened to Jesus. This week we listened to and discussed Jesus' trial. We thought about the questions Pilate asked Jesus and how he must have felt telling the truth when he knew it would not save him. We also visited our church to pray at the stations of the cross.

# LKS2 Phase News

In St Bernadette, the children have spent their Design and Technology lessons, planning, designing and creating an eco-friendly product. They spent time testing materials to ensure their final products could be used as planters.

This week in St Martin de Porres our prayer focus for class worship has been about sacrifice. Jesus lived a life of sacrifice and of serving others so this week we have been discussing how we too can make sacrifices for others.

Last Friday, St Catherine's class led a wonderful assembly celebrating St Patrick's day. Did you know that, although he is the patron saint of Ireland, St Patrick was actually born in Wales! The highlight of the performance was definitely their brilliant Irish dancing and gorgeous singing. Well done St Catherine's class!

This week Y4 St Elizabeth visited church in order to pray and reflect upon the Stations of the Cross. We visited each one in turn. At every station, we heard about Jesus' struggle with the cross, how others helped and supported him, as well as how some chose to turn against him. Finally, we reflected upon how we can use Jesus' actions during his final journey to influence and shape our lives today.

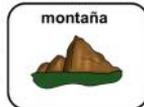

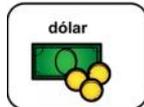

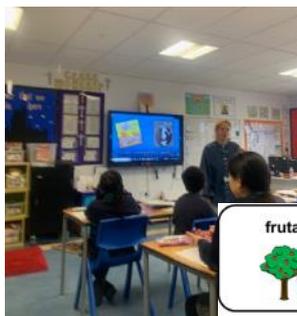

# UKS2 Phase News

Year 5 Saint Faustina visited the Royal Albert Hall to take part in a Music and Maths workshop before going in to look at the Music Hall. The workshop was great and linked to our current Maths topic. Saint Faustina were very engaged and had a lot of fun taking part in the workshop.

Year 5 Saint Benedict have been learning about sustainability and how we can be more eco-friendly. Over the last two weeks, we have made our own seed bombs and designed some amazing packaging for them by using using recyclable materials. Well done year 5!

This week in Art, Year 6 Saint Maximilian created our collaged trees over our watercolour back grounds. We used different materials to create different textures and also used words from magazines and newspapers to choose phrases about the environment that linked with our topic. Some of our work was also displayed at Curriculum Evening to showcase our work from this topic.

In Spanish, Year 6 Saint Josephine have been learning about cognates- words that are spelt and sound similar to other languages. We have also been learning key phrases in French to prepare us for secondary school.
