

My Cultural Passport

This Cultural Passport contains photos and memories of trips that I have had in each year group.

Once a year FOSH sponsors each class to go on a cultural experience.

Every time I went on a Cultural Trip sponsored by FOSH I wrote about it in My Cultural Passport.

Year Four

Our first school trip in year four was to Madame ~~Tussauds~~ Tussauds. We went to see the models and take pictures with them. We went to the ~~4d experience~~ experienced and watched something about Marvel super heroes. It kept on ^{spraying} us with water and felt ~~+~~ like someone was kicking my chair but actually the chair was moving by itself so that was really excited. I was in the group with Hailey (Albie's mum). For lunch I had crisps, a drink, chocolate and a sandwich. My sandwich had cheese and salad. This was really fun and at lunch time we went to Regent's park.

Year Five

Dear diary,

Today I went to the Royal Albert Hall and it was a great experience watching all of the music and all the bands. My favourite concert was the last one with all the rock music and how old (and) the music was. I also enjoyed the Mexican wave at the start of the show. It was amazing and incredible to see how big it was inside compared to how it looked like on the outside.
