

For good

I'm limited
Just look at me
I'm limited, and just look at you
You can do all I couldn't do, Glinda
So now it's up to you
For both of us
Now it's up to you
I've heard it said
That people come into our lives for a reason
Bringing something we must learn
And we are led
To those who help us most to grow
If we let them
And we help them in return
Well, I don't know if I believe that's true
But I know I'm who I am today
Because I knew you
Like a comet pulled from orbit
As it passes a sun
Like a stream that meets a boulder
Halfway through the wood
Who can say if I've been changed for the better? But
Because I knew you
I have been changed for good
It well may be
That we will never meet again
In this lifetime
So let me say before we part
So much of me
Is made of what I learned from you

You'll be with me
Like a handprint on my heart
And now whatever way our stories end
I know you have re-written mine
By being my friend
Like a ship blown from its mooring
By a wind off the sea
Like a seed dropped by a skybird
In a distant wood
Who can say if I've been changed for the better? But
Because I knew you
Because I knew you
I have been changed for good
And just to clear the air
I ask forgiveness
For the things I've done you blame me for
But then, I guess we know there's blame to share
And none of it seems to matter anymore
Like a comet pulled from orbit (like a ship blown from its
mooring)
As it passes a sun (by a wind off the sea)
Like a stream that meets a boulder (like a seed dropped by a bird)
Halfway through the wood (in the wood)
Who can say if I've been changed for the better?
I do believe I have been changed for the better
And because I knew you
Because I knew you, because I knew you
I have been changed
For good

Defying Gravity

Elphaba, why couldn't you have stayed calm for once?
Instead of flying off the handle?

I hope you're happy
I hope you're happy now
I hope you're happy how you've hurt your cause forever
I hope you think you're clever
I hope you're happy
I hope you're happy too
I hope you're proud how you would grovel in submission
To feed your own ambition
So though I can't imagine how
I hope you're happy right now

Elphie, listen to me, just say you're sorry
You can still be with the Wizard
What you've worked and waited for
You can have all you ever wanted
I know
But I don't want it
No, I can't want it
Anymore
Something has changed within me
Something is not the same
I'm through with playing by the rules of someone else's game
Too late for second-guessing
Too late to go back to sleep
It's time to trust my instincts
Close my eyes and leap

It's time to try defying gravity
I think I'll try defying gravity
And you can't pull me down
Can't I make you understand
You're having delusions of grandeur?
I'm through accepting limits
'Cause someone says they're so
Some things I cannot change
But 'til I try, I'll never know
Too long I've been afraid of
Losing love, I guess I've lost
Well, if that's love, it comes at much too high a cost
I'd sooner buy defying gravity
Kiss me goodbye, I'm defying gravity
And you can't pull me down
Come with me
Think of what we could do together
Unlimited
Together, we're unlimited
Together, we'll be the greatest team there's ever been, Glinda
Dreams the way we planned 'em
If we work in tandem
There's no fight we cannot win

Just you and I, defying gravity
With you and I, defying gravity
They'll never bring us down
Are you coming?
I hope you're happy
Now that you're choosing this
You too
I hope it brings you bliss

I really hope you get it
And you don't live to regret it
I hope you're happy in the end
I hope you're happy, my friend
No, leave her alone, she hasn't done anything wrong
I'm the one you want, I'm the one you want, it's me!
It's me!
So if you care to find me
Look to the western sky
As someone told me lately
"Everyone deserves the chance to fly"
And if I'm flying solo
At least I'm flying free
To those who'd ground me
Take a message back from me
Tell them how I am defying gravity
I'm flying high, defying gravity
And soon I'll match them in renown
Unlimited
Unlimited
Unlimited
And nobody in all of Oz
No Wizard that there is or was
Is ever gonna bring me down
I hope you're happy (look at her, she's wicked, kill her!)
Bring me down (no one mourns the wicked, so we've got to bring
her)
Ah! (Down!)
(Down! Ah!)

In a world of Pure Imagination

Trav'ling in the world of my creation
What we'll see will defy explanation

If you want to view paradise
Simply look around and view it
Anything you want to do it
Want to change the world there's nothing to it

There is no life I know
To compare with Pure Imagination
Living there you'll be free if you truly wish to be.

You can dream any dreams
You can savour ev'ry situation
Life in there's a sensation'l sensation

To compare with your imagination
So go there to be free,
If you truly want to be.

If you want to see magic lands

And please save me one.

If you truly want to be.

When I grow up

I will be tall enough to reach the branches
That I need to reach to climb the trees
You get to climb when you're grown up

And when I grow up

I will be smart enough to answer all
The questions that you need to know
The answers to, before you're grown up

And when I grow up

I will eat sweets everyday on the way to work
And I will go to bed late every night

And I will wake up

When the sun comes up

And I will watch cartoons until my eyes go
square

And I won't care 'cos I'll be all grown up

When I grow up

When I grow up, when I grow up

When I grow up

I will be strong enough to carry all

The heavy things you have to haul around
with you

When you're a grown up

And when I grow up

When I grow up

When I grow up

I will be brave enough to fight the creatures

That you have to fight beneath the bed

Each night to be a grown up

And when I grow up (When I grow up)

I will have treats everyday

And I'll play with things that mum pretends

That mums don't think are fun

And I will wake up (I will wake up)

When the sun comes up

And I will spend all day just lying in the sun

And I won't burn 'cause I'll be all grown up

When I grow up

(INSTRUMENTAL)

When I grow up

I will be brave enough to fight the creatures

That you have to fight beneath the bed

Each night to be a grown up

A Million Dreams [Million dreams](#)

[mp3.mp3](#)

I close my eyes and I can see
A world that's waiting up for me
That I call my own
Through the dark, through the door
Through where no one's been before
But it feels like home

They can say, they can say it all
sounds crazy
They can say, they can say I've lost my
mind
I don't care, I don't care, so call me
crazy
We can live in a world that we design

'Cause every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me
awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're
gonna make

There's a house we can build

Every room inside is filled
With things from far away
Special things I compile
Each one there to make you smile
On a rainy day

They can say, they can say it all
sounds crazy
They can say, they can say we've lost
our minds
I don't care, I don't care if they call us
crazy
Runaway to a world that we design

'Cause every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me
awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
Oh, a million dreams for the world
we're gonna make

However big, however small
Let me be part of it all

Share your dreams with me
You may be right, you may be wrong
But say that you'll bring me along
To the world you see
To the world I close my eyes to see
I close my eyes to see

Every night I lie in bed
The brightest colors fill my head
A million dreams are keeping me
awake
(A million dreams, a million dreams)
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're
gonna make
For the world we're gonna make

Dancing Queen

[ABBA - Dancing Queen \(Karaoke Version\)](#)

You can dance, you can jive
Having the time of your life
Ooh, see that girl, watch that scene
Diggin' the dancing queen

Friday night and the lights are low
Looking out for a place to go
Where they play the right music
Getting in the swing
You come to look for a king
Anybody could be that guy
Night is young and the music's high
With a bit of rock music
Everything is fine
You're in the mood for a dance
And when you get the chance

You are the dancing queen
Young and sweet, only seventeen
Dancing queen
Feel the beat from the tambourine,
oh, yeah
You can dance, you can jive

Having the time of your life
Ooh, see that girl, watch that scene
Diggin' the dancing queen

You're a teaser, you turn 'em on
Leave 'em burning and then you're
gone
Looking out for another
Anyone will do
You're in the mood for a dance
And when you get the chance

You are the dancing queen
Young and sweet, only seventeen
Dancing queen
Feel the beat from the tambourine,
oh, yeah
You can dance, you can jive
Having the time of your life
Ooh, see that girl, watch that scene
Diggin' the dancing queen
Diggin' the dancing queen
See that girl, watch that scene
Diggin' the dancing queen
